

Design your massage to suit your needs. Reactivate your alignment, rebalance & harmonize.

Couples Massage

Share the experience of a relaxing, invigorating, soothing couples massage with your partner or that special person.

Many couples are spoiling themselves to a couples massage because they understand the benefits that this precious time together will bring to their relationship.

Pamper packages available!

Arrangements can also be made for Corporate Massage including your workplace, meetings or functions. We also take party bookings, book us for your next hens party, baby shower or Mother's Day.

We also offer a mobile massage service.
